ABOUT

I am a Frontend Developer. Skilled at JavaScript, TypeScript, React & Next.js.

SKILLS

Front End Web Development:

HTML, CSS, JavaScript, React, TailwindCSS, BootstrapCSS, Next JS, TypeScript

PROJECTS

Fit Log

https://b14-a06.vercel.app/

Next JS · Tailwind CSS · Daisy UI

FitLog is an intuitive workout manager that allows fitness enthusiasts to curate daily workout schedules, save routines for future sessions, and automatically calculate total training metrics (exercises, workout duration, and calories burned). Built with performance and user experience in mind using Next.js 15, Tailwind CSS v4, and React Context API.

My own better auth app

https://my-own-better-auth-app.vercel.app/

Better Auth · Hero UI · MongoDB

This is a simple authentication website.

Bangla News 24

https://bangla-news-24-nine.vercel.app/

Next JS · Tailwind CSS · Better Auth · Hero UI

This is a simple newspaper website, where authentication is available.

BazarDor

https://b14-a-07-ph.vercel.app/

Next JS · Better Auth

BazarDor is a responsive web application designed to help users and households track daily market prices, analyze commodity price fluctuations, and monitor category-wise market dynamics efficiently.
